**Data:** .....Residual Sugar - 7.00 g/l  
Alcohol - 12.0 %  
**Soil Type:** ..... Limestone  
**Production Level:** ..... 900 cases  
**Closure:** .....Cork

**Estate:** Raumland is Germany's premier producer of sparkling wine (Sekt). Whole cluster pressing is used to preserve fruit aromas, no maceration, no mashing and no pumping of the juice. First run and last run juices are used for the basic Sekts such as Cuvée Marie-Luise and Cuvée Katharina as are portions of the middle run. The better part of the middle run is used for the Prestige varietal Cuvées and the very best for the Grand Cuvée Triumvirat.

**Tasting Note:** This Rosé of 100% Pinot Noir grapes is visually extremely elegant with its slight pink hue and fine bubbles. Very fresh on the palate, red fruit, ripe and fresh, crisp acidity, harmonious and full-bodied with an elegant minerality.

**Food Affinity:** A wonderful apéritif or celebration wine. Enjoy by itself or with light fish dishes or starters such as cheese plates, paté and olives.
